

# CADET FORESTER PROGRAM

CREATING PATHWAYS FOR PROFESSIONAL  
CAREERS IN THE FOREST INDUSTRY

## COURSE CONTENT

Cadet Forester program has been developed to overcome the shortfall of professional foresters currently needed to work in Tasmania's forest industry.

Trainees can commence on an Australian School Based Apprenticeship for year 11 & 12 students, or an adult traineeship for all other applicants. Trainees will be directly employed by individual companies, or by a group training organisation for shared work placements.

### AUSTRALIAN SCHOOL BASED APPRENTICESHIP:

- Commence Certificate II in Forest Growing & Management
- Available for year 11 & 12 students
- Must have current Australian drivers licence or reliable means of transport to the employer's office

### ADULT TRAINEES:

- Certificate III in Forest Growing & Management
- Options for direct employment or group training model
- Must have current Australian drivers licence

## OUTCOMES

Commence as a Certificate II in Forest Growing & Management (ASBA) or Certificate III Forest Growing & Management (Adult Learner). Trainees will work towards achieving a Certificate IV in Forest Operations within four years of employment-subject to annual performance based reviews by respective employers and training providers.

Created by industry, and supported by Tasmania's largest forest growers and producers, Arbre has a clear mandate.

We promote career pathways, and offer linkages to industry for job seekers.
