

Friday 6th August

The Friday evening event will address the theme *Ag Pathways - cultivating agricultural futures*. The aim is to equip our agricultural educators with the knowledge and skills to guide their students/employees towards one of the many pathways into a career in agriculture. We believe that educators have a significant influence on the career paths of their students/employees, so empowering them with the confidence to guide their students/employees towards the most suitable pathway will future proof our industry.

Where: Hagley Farm School gym

When: 6pm – 9pm

Who: Everyone welcome

Cost: Free for TAEN members; \$20 pp for guests

Saturday 7th August

SOLD OUT: agriCULTURED *'The Acoustic Life of Sheds'* tour

If you have purchased a ticket to this event, please meet us at the Hagley Farm School main carpark at 9am to get on our minibus. We will be visiting Brickendon, Vaucluse and Harland Rise sheds to cover Climate, Soil and Fire as themes for the day. Returning to the Hagley Farm School main carpark around 5.45pm. Contact Clare (clarepeltzer@gmail.com) if you would like to organise alternative pick-up/drop off spots. Check the agriCULTURED 2021 Facebook page for further details.
